

# Crepe Machines

CREP1G

CREP2G

## CRÊPES

- It enables to cook crêpes quickly and easily
- The plate is made of treated cast iron and can be used as a contact grill.
- Easy to position and to clean, it fulfills many purposes in small space.
- Technical features:
  - stainless steel construction
  - shock-proof heating elements, mounted inside the plate for a perfect thermal conductivity
  - adjustable thermostat
